TRANSFORMING EDUCATION ONE STUDENT AT A TIME

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

A LOOKBACK

Week of January 9, 2017

- ◆ I'd like to begin this week by congratulating our 2016-2017 GEOY teacher Jessica Daniels and support staff Alisha DeLorenzo. Thanks for "Being the change."
- ◆ APHS won the "Golden Bucket" for December! Thanks to our amazing custodial engineers for making APHS the cleanest school in the district for December. Let's continue to sparkle and shine by keeping our building clean.
- ◆ Rome was not built in a day. We have made great strides at APHS, but we still have a long way to go. We will be faced with difficulties. But, when we work together and take care of one another, we cannot fail. Thank you APHS security, Officer Middleton and Mr. Ardizzone, who were first on the scene to help diminish an altercation. I can't say it enough! **Team work makes the dream work!**
