---

Dear Parents and Guardians:

Welcome to Bradley Elementary School! I hope you all had a fun and productive summer. The Bradley Family is ready to deliver an exciting and rewarding school year. This year's theme is: "Learning Takes You Around the World". We will embrace this slogan while continuing our collegiate theme. Bradley Elementary School will also be known as Bradley University!

I encourage you to be involved in your child's education. As parents, you are the first and most important educator in your child's life. I also encourage you to join our PTO as we have many sensational events planned throughout the year. Education is a team effort, and together we can make your child's education the best it can be!

Bradley School has a tradition of being a warm, inviting and supportive family of caring individuals. Our vision is to celebrate academic success, create an environment that inspires and motivates your child to be his or her best. We strive to have a culture of excellence and rigor. We want the best for our students, and expect nothing less from them.

We are so glad that you will be with us for the 2016-2017 school year! Together, we can continue to engage, challenge, and inspire our students. We look forward to partnering with you on your child's educational journey toward "Building a Brighter Future".

Thank you,

Edwin J. Ruiz, Principal  
William Wells, Vice Principal
