*Building a Brighter Future*

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education.”

- Martin Luther King, Jr.

## *Saving Our Students Symposium*

**Thursday, December 3, 2015**

**6:00PM—8:00PM**

**Asbury Park High School**

**1003 Sunset Avenue**

**Asbury Park, NJ 07712**

The Asbury Park School District’s College and Career Readiness goal is to provide our students with a solid foundation and essential tools necessary to make informed decisions about post secondary educational opportunities and or career options, so they can be better equipped to participate in a competitive job market. We will provide experiential opportunities that will expose students to different career paths as well field study, internships and community service activities. This demonstrates to students the relevance of the education process needed to obtain their goals.
