For anybody who is interested in learning about opportunities designed to support the unique needs of critical and creative thinkers.

- educationally relevant presentations & discussions
- stimulating interactive sessions & mini-courses (for grades K-12)
- exhibits showcasing local & national resources
- food trucks

“[the] classes held the interest of my daughter, who is 9 years old, for 6 hours. Wow! The parent classes were terrific... I recommend it highly to anyone thinking of attending.”

Jennifer J. (San Diego, 2015)
