Celebrating Hispanic Heritage

We celebrate Hispanic Heritage in our after school program through the month of October. Our after school focus will be:

- Students will relate artistic ideas and works with societal, cultural, and historical context to deepen understanding of Hispanic Heritage.
- Through research and practice, students will generate an artistic presentation to convey understanding of Hispanic Heritage.

Our children will create through technology, a flip books, a monument, or whatever creative STEAM creation they come up with. We can't wait to see the projects!
